**1** Find the total number of blocks

- a** one thousand three hundred and thirty-two
- b** one thousand six hundred and twenty-five
- c** two thousand five hundred and twenty-two
- d** two thousand two hundred and forty-one
- e** one thousand four hundred and fourteen
- f** two thousand and thirty-seven

**2** Find the total number of blocks

- a** one thousand four hundred and fifty-four
- b** two thousand two hundred and sixty-five
- c** four thousand six hundred and one
- d** two thousand and four
- e** two thousand four hundred and eighteen
- f** one thousand seven hundred and eighty-eight

**3** Find the total number of blocks

- a** two hundred and forty-four
- b** five thousand two hundred and forty-two
- c** one thousand three hundred and eleven
- d** one thousand one hundred and forty-one
- e** three thousand two hundred and thirty-five
- f** two thousand four hundred and fifty-three

**4** Find the total number of blocks

- a** one thousand one hundred and thirty-eight
- b** two thousand five hundred and twenty-three
- c** two thousand four hundred and thirty
- d** five thousand one hundred and fifty-three
- e** three thousand three hundred and seven
- f** four thousand two hundred and eighty

**5** Find the total number of blocks

- a** one thousand three hundred and seventy-two
- b** four thousand eight hundred and eighteen
- c** three thousand four hundred
- d** two thousand one hundred and eleven
- e** one thousand four hundred and thirty-four
- f** three thousand one hundred and seventy-seven

**6** Find the total number of blocks

- a** one thousand two hundred and thirty-four
- b** one thousand two hundred and twenty-
- c** two thousand two hundred and eleven
- d** four thousand one hundred and thirty-three
- e** one thousand two hundred and thirty-three
- f** five thousand four hundred and forty-two

**7** Find the total number of blocks

- a** two thousand and four
- b** one thousand four hundred and twenty-
- c** two thousand seven hundred and fifty-three
- d** four thousand two hundred and fourteen
- e** three thousand one hundred and forty-one
- f** four thousand seven hundred and eleven
