

Math worksheet on 'Cartesian Grid - Direction Between Points (Straight) (Level 2)'. Part of a broader unit on 'Cartesian Grid Basics - Intro'

Learn online: app.mobius.academy/math/units/cartesian_grid_basics/

1

Find the direction to go from point A to point B on the diagram

a	Right 1
b	Down 2
c	Right 2, Up 1
d	Right 2, Down 1
e	Right 2
f	Left 2

2 Find the direction to go from point A to point B on the diagram

a	Down 4	b	Down 3
c	Up 3	d	Right 3
e	Down 2	f	Left 3

3

Find the direction to go from point A to point B on the diagram

a	Right 3, Down 1
b	Up 3
c	Down 3
d	Right 2
e	Left 3
f	Right 3

4

Find the direction to go from point A to point B on the diagram

a	Up 1
b	Right 2
c	Left 1, Up 2
d	Left 2
e	Down 2
f	Up 2

5

Find the direction to go from point A to point B on the diagram

a	Down 4
b	Left 1, Down 5
c	Right 1, Down 5
d	Up 5
e	Left 5
f	Down 5

6

Find the direction to go from point A to point B on the diagram

a	Right 5, Up 1
b	Up 5
c	Right 5, Down 1
d	Right 5
e	Right 6
f	Left 5

7

Find the direction to go from point A to point B on the diagram

a	Down 5
b	Up 6
c	Left 1, Down 6
d	Left 6
e	Down 6
f	Right 1, Down 6
