1

Which number line shows this operation?

$$+(-1)$$

a

b

2

Which number line shows this operation?

$$-4$$

a

b

3

Which number line shows this operation?

$$+(-5)$$

a

b

4

Which number line shows this operation?

$$+(-3)$$

a

b

5

Which number line shows this operation?

$$-(-4)$$

a

b

6

Which number line shows this operation?

$$+(-4)$$

a

b

7

Which number line shows this operation?

$$-(-5)$$
