2 Which number line shows this subtraction equation? $8 - 7 = 1$

a

b

1 Which number line shows this subtraction equation? $3 - 1 = 2$

a

b

3 Which number line shows this subtraction equation? $4 - 3 = 1$

a

b

4 Which number line shows this subtraction equation? $6 - 1 = 5$

a

b

5 Which number line shows this subtraction equation? $5 - 4 = 1$

a

b

6 Which number line shows this subtraction equation? $5 - 3 = 2$

a

b

7 Which number line shows this subtraction equation? $7 - 3 = 4$

a

b
