

Math worksheet on 'Order of Operations - Ordering From Words - Basic Operations (Level 1)'. Part of a broader unit on 'Order of Operations - Practice'

Learn online: app.mobius.academy/math/units/order_of_operations_practice/

2	Which operation should you do first in a math equation?	
	Multiply or Subtract	
	a	Multiply
	b	Left-To-Right
c	Subtract	

1	Which operation should you do first in a math equation?	
	Add or Divide	
	a	Divide
	b	Left-To-Right
c	Add	

3	Which operation should you do first in a math equation?	
	Subtract or Add	
	a	Add
	b	Left-To-Right
c	Subtract	

4	Which operation should you do first in a math equation?	
	Multiply or Divide	
	a	Multiply
	b	Left-To-Right
c	Divide	

5	Which operation should you do first in a math equation?	
	Divide or Subtract	
	a	Subtract
	b	Left-To-Right
c	Divide	

6	Which operation should you do first in a math equation?	
	Multiply or Add	
	a	Add
	b	Left-To-Right
c	Multiply	

7	Which operation should you do first in a math equation?	
	Divide or Add	
	a	Divide
	b	Add
c	Left-To-Right
