

mobius

Math worksheet on '*Patterning - Rule for 2 Item Repeating Shape Pattern (Level 1)*'. Part of a broader unit on '*Patterning - Visual Patterns Intro*'

Learn online: app.mobius.academy/math/units/patterning_visual_intro/

2 Choose the rule that describes this pattern

- a** green triangle, green triangle, yellow rectangle, then repeat
b blue square, red circle, then repeat

4 Choose the rule that describes this pattern

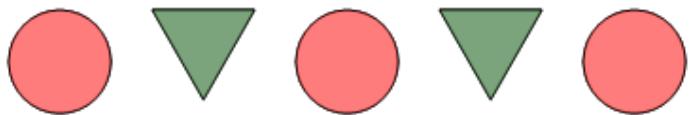

- a** green triangle, red circle, then repeat
b red circle, yellow rectangle, green triangle, then repeat

6 Choose the rule that describes this pattern

- a** red circle, yellow rectangle, then repeat
b blue square, blue square, green triangle, then repeat

1 Choose the rule that describes this pattern

- a** green triangle, red circle, blue square, then repeat
b red circle, green triangle, then repeat

3 Choose the rule that describes this pattern

- a** yellow rectangle, green triangle, then repeat
b yellow rectangle, red circle, yellow rectangle, then repeat

5 Choose the rule that describes this pattern

- a** red circle, yellow rectangle, green triangle, then repeat
b green triangle, blue square, then repeat

7 Choose the rule that describes this pattern

- a** blue square, green triangle, red circle, then repeat
b blue square, yellow rectangle, then repeat
