

Perimeter of a Simple Shape Formula - Shape Name to Formula

1	How would you calculate this shape's perimeter?	A	2	How would you calculate this shape's perimeter?	Square		
		side A + side B + side C				A	B
		B				side A + side B + side C	4 × side
Triangle	C	2 × (length + width)					
	A	4 × side					
	B	side A + side B + side C					
3	How would you calculate this shape's perimeter?	C					
		A				4 × side	
		B				side A + side B + side C	
Rectangle	C	2 × (length + width)					
	A	4 × side					
	B	side A + side B + side C
