

Math worksheet on 'Probability Union, Intersection, Complement - Description to Name (Level 1)'. Part of a broader unit on 'Probability - Set Operations - Intro'

Learn online: app.mobius.academy/math/units/probability_set_operations_intro/

1

Select the name of the probability operation being described

Event A not happening

- a A union B
- b Complement of A
- c A intersect B
- d A conditional on B

2

Select the name of the probability operation being described

Either A or B happening

- a A conditional on B
- b A union B
- c Complement of A
- d A intersect B

3

Select the name of the probability operation being described

Both A and B happening

- a A intersect B
- b A union B
- c Complement of A
- d A conditional on B
