

Math worksheet on 'Probability Union, Intersection, Complement - Formula to Venn Diagram (Level 1)'.
Part of a broader unit on 'Probability - Set Operations - Intro'

Learn online: app.mobius.academy/math/units/probability_set_operations_intro/

1

Which Venn diagram represents this probability formula

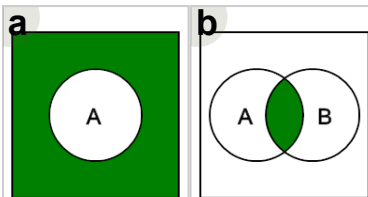

$$1 - P(A)$$

2

Which Venn diagram represents this probability formula

$$P(A) \cdot P(B)$$

3

Which Venn diagram represents this probability formula

$$P(A) + P(B) - P(A \cap B)$$
