

Math worksheet on 'Pythagorean Triangle Labelling - Leg or Hypotenuse (Level 1)'. Part of a broader unit on 'Pythagoras - Intro'

Learn online: app.mobius.academy/math/units/pythagoras_intro/

1

?

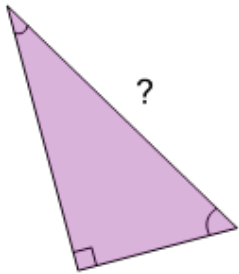

Is the side marked with a '?' the hypotenuse or a leg?

a The hypotenuse (ie side 'c')

b A leg (ie side 'a' or 'b')

2

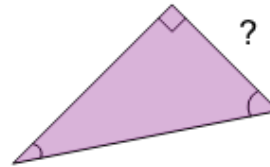

Is the side marked with a '?' the hypotenuse or a leg?

a The hypotenuse (ie side 'c')

b A leg (ie side 'a' or 'b')

3

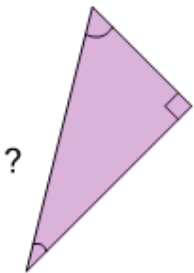

Is the side marked with a '?' the hypotenuse or a leg?

a A leg (ie side 'a' or 'b')

b The hypotenuse (ie side 'c')

4

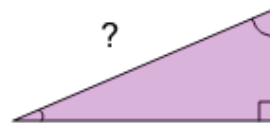

Is the side marked with a '?' the hypotenuse or a leg?

a The hypotenuse (ie side 'c')

b A leg (ie side 'a' or 'b')

5

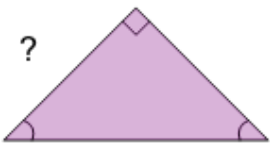

Is the side marked with a '?' the hypotenuse or a leg?

a A leg (ie side 'a' or 'b')

b The hypotenuse (ie side 'c')

6

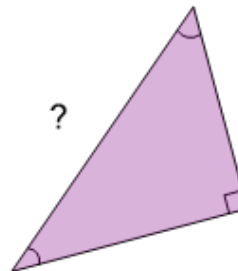

Is the side marked with a '?' the hypotenuse or a leg?

a A leg (ie side 'a' or 'b')

b The hypotenuse (ie side 'c')

7

?

Is the side marked with a '?' the hypotenuse or a leg?

a A leg (ie side 'a' or 'b')

b The hypotenuse (ie side 'c')
