| | | | |
|---|------------------|-----------------|-----------------|
| 1 What can this ratio be simplified to? 35:30 | a 4:10 | b 1:7 | c 7:6 |
| | d 3:12 | | |

| | | | |
|---|------------------|------------------|-----------------|
| 2 What can this ratio be simplified to? 24:20 | a 4:4 | b 8:12 | c 6:5 |
| | d 14:1 | | |

| | | | |
|---|-------------------|-----------------|------------------|
| 3 What can this ratio be simplified to? 28:20 | a 12:14 | b 7:5 | c 12:4 |
| | d 2:4 | | |

| | | | |
|---|-------------------|------------------|-------------------|
| 4 What can this ratio be simplified to? 18:21 | a 6:7 | b 4:12 | c 14:16 |
| | d 15:10 | | |

| | | | |
|---|------------------|-----------------|-----------------|
| 5 What can this ratio be simplified to? 12:15 | a 2:1 | b 4:5 | c 3:7 |
| | d 10:3 | | |

| | | | |
|---|------------------|-----------------|-----------------|
| 6 What can this ratio be simplified to? 15:20 | a 7:8 | b 3:4 | c 7:1 |
| | d 11:7 | | |

| | | | |
|---|------------------|-----------------|------------------|
| 7 What can this ratio be simplified to? 15:21 | a 14:3 | b 5:7 | c 13:3 |
| | d 2:5 | | |
