<p>1 Convert this scientific notation number to regular notation</p> 8×10^4	a	80,000	b	800,000
	c	8,000	d	8,000,000

<p>2 Convert this scientific notation number to regular notation</p> 3×10^4	a	300,000	b	30,000
	c	3,000,000	d	3,000

<p>3 Convert this scientific notation number to regular notation</p> 2×10^3	a	2,000	b	20,000
	c	200,000	d	200

<p>4 Convert this scientific notation number to regular notation</p> 9×10^4	a	900,000	b	9,000,000
	c	9,000	d	90,000

<p>5 Convert this scientific notation number to regular notation</p> 2×10^4	a	2,000,000	b	2,000
	c	200,000	d	20,000

<p>6 Convert this scientific notation number to regular notation</p> 7×10^5	a	700,000	b	70,000,000
	c	7,000,000	d	70,000

<p>7 Convert this scientific notation number to regular notation</p> 1×10^4	a	100,000	b	1,000,000
	c	10,000	d	1,000
