<p>1 Convert this scientific notation number to regular notation</p> 4×10^7	a	4,000,000,000
	b	400,000,000
	c	40,000,000
	d	4,000,000

<p>2 Convert this scientific notation number to regular notation</p> 3×10^6	a	30,000,000
	b	300,000,000
	c	3,000,000
	d	300,000

<p>3 Convert this scientific notation number to regular notation</p> 4×10^5	a	40,000,000
	b	400,000
	c	4,000,000
	d	40,000

<p>4 Convert this scientific notation number to regular notation</p> 1×10^6	a	100,000
	b	10,000,000
	c	100,000,000
	d	1,000,000

<p>5 Convert this scientific notation number to regular notation</p> 6×10^7	a	60,000,000
	b	6,000,000,000
	c	600,000,000
	d	6,000,000

<p>6 Convert this scientific notation number to regular notation</p> 7×10^6	a	7,000,000
	b	700,000
	c	70,000,000
	d	700,000,000

<p>7 Convert this scientific notation number to regular notation</p> 5×10^5	a	5,000,000
	b	50,000
	c	500,000
	d	50,000,000
