

Math worksheet on '2D Shape Symmetry - Which Shape Is Symmetric (Level 1)'. Part of a broader unit on 'Geometry Basics - Intro'

Learn online: app.mobius.academy/math/units/geometry_basics/

1

Which right side image would be symmetric?

a

b

2

Which right side image would be symmetric?

a

b

3

Which right side image would be symmetric?

a

b

4

Which right side image would be symmetric?

a

b

5

Which right side image would be symmetric?

a

b

6

Which right side image would be symmetric?

a

b

7

Which right side image would be symmetric?

a

b
