

Math worksheet on 'Complex 3D Shapes - Reversed (Level 1)'. Part of a broader unit on 'Geometry Basics - Practice'

Learn online: app.mobius.academy/math/units/geometry_basics_practice/

1 Select the shape that is named

a		b		c	
Cone					
d		e		f	

2 Select the shape that is named

Rectangular Pyramid	a		b	
	c		d	
	e		f	

3 Select the shape that is named

Square Pyramid

a		b		c		d		e		f	
----------	--	----------	--	----------	--	----------	--	----------	--	----------	--

4 Select the shape that is named

Sphere	a		b		c	
	d		e		f	

5 Select the shape that is named

Tetrahedron	a		b		c	
	d		e		f	

6 Select the shape that is named

Triangular Prism

a		b		c		d		e		f	
----------	--	----------	--	----------	--	----------	--	----------	--	----------	--

7 Select the shape that is named

Pentagonal Prism

a		b		c		d		e		f	
----------	--	----------	--	----------	--	----------	--	----------	--	----------	--
