1 Select the shape that is named

Rectangular Pyramid

a		b	
c		d	
e		f	

2 Select the shape that is named

Cube

a		b		c	
d		e		f	

3 Select the shape that is named

Square Pyramid

a		b		c		d		e		f	
----------	--	----------	--	----------	--	----------	--	----------	--	----------	--

4 Select the shape that is named

Cylinder

a		b		c	
d		e		f	

5 Select the shape that is named

Sphere

a		b		c	
d		e		f	

6 Select the shape that is named

Triangular Prism

a		b		c		d		e		f	
----------	--	----------	--	----------	--	----------	--	----------	--	----------	--

7 Select the shape that is named

Tetrahedron

a		b		c	
d		e		f
