1

How many edges and faces does this shape have?

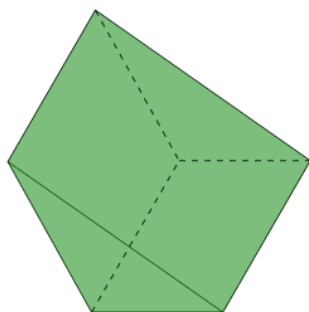

a

10 Edges and 4 Faces

b

12 Edges and 6 Faces

2

How many edges and faces does this shape have?

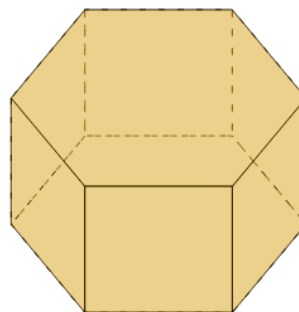

a

8 Edges and 5 Faces

b

9 Edges and 5 Faces

3

How many edges and faces does this shape have?

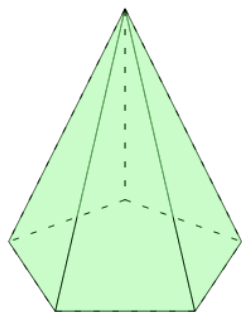

a

17 Edges and 8 Faces

b

18 Edges and 8 Faces

4

How many edges and faces does this shape have?

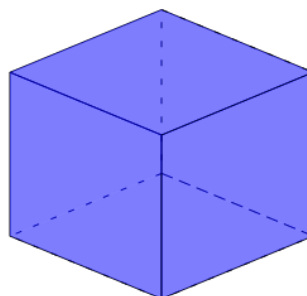

a

11 Edges and 4 Faces

b

10 Edges and 6 Faces

5

How many edges and faces does this shape have?

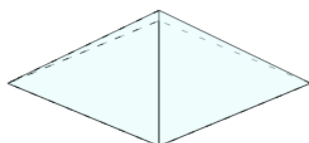

a

12 Edges and 6 Faces

b

13 Edges and 6 Faces

6

How many edges and faces does this shape have?

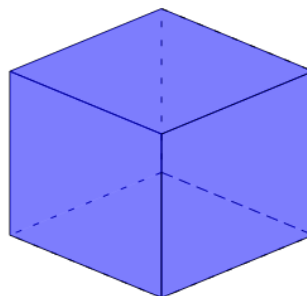

a

8 Edges and 5 Faces

b

6 Edges and 3 Faces

7

How many edges and faces does this shape have?

a

12 Edges and 6 Faces

b

10 Edges and 4 Faces
