1 Select the shape that is described

8 edges, 5 faces

a 	b 	c 	d 	e 	f
--------------	--------------	--------------	--------------	--------------	--------------

2 Select the shape that is described

18 edges, 8 faces

a 	b 	c 	d 	e 	f
--------------	--------------	--------------	--------------	--------------	--------------

3 Select the shape that is described

10 edges, 6 faces

a 	b 	c 	d 	e 	f
--------------	--------------	--------------	--------------	--------------	--------------

4 Select the shape that is described

6 edges, 4 faces

a 	b 	c 	d 	e 	f
--------------	--------------	--------------	--------------	--------------	--------------

5 Select the shape that is described

12 edges, 6 faces

a 	b 	c 	d 	e 	f
--------------	--------------	--------------	--------------	--------------	--------------

6 Select the shape that is described

12 edges, 7 faces

a 	b 	c 	d 	e 	f
--------------	--------------	--------------	--------------	--------------	--------------

7 Select the shape that is described

9 edges, 5 faces

a 	b 	c 	d 	e 	f
--------------	--------------	--------------	--------------	--------------	--------------
