

Math worksheet on '3D Shapes - Count Faces and Vertices - Reversed (Level 1)'. Part of a broader unit on 'Geometry - Surface Area of 3D Shapes - Intro'

Learn online:

app.mobius.academy/math/units/geometry_surface_area_basic_shapes_intro/

1

Select the shape that is described

5 faces, 5 vertices

a		b	
c		d	
e		f	

2

Select the shape that is described

6 faces, 6 vertices

a		b	
c		d	
e		f	

3

Select the shape that is described

7 faces, 10 vertices

a		b	
c		d	
e		f	

4

Select the shape that is described

6 faces, 8 vertices

a		b	
c		d	
e		f	

5

Select the shape that is described

7 faces, 7 vertices

a		b	
c		d	
e		f	

6

Select the shape that is described

4 faces, 4 vertices

a		b	
c		d	
e		f
