1

What net would make this 3D shape?

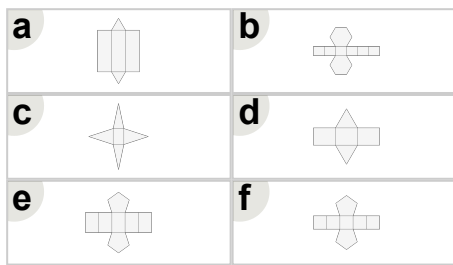

Triangular Prism

2

What net would make this 3D shape?

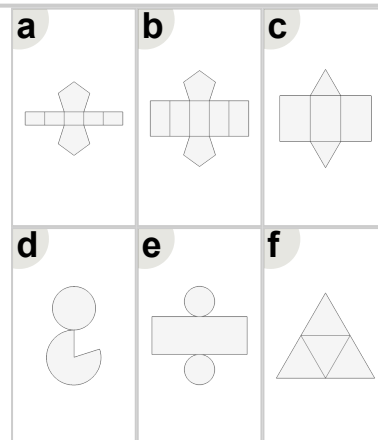

Rectangular Pyramid

3

What net would make this 3D shape?

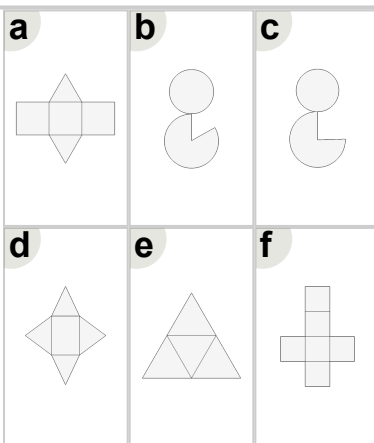

Cylinder

4

What net would make this 3D shape?

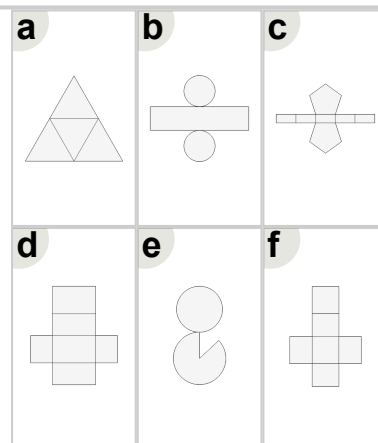

Cube

5

What net would make this 3D shape?

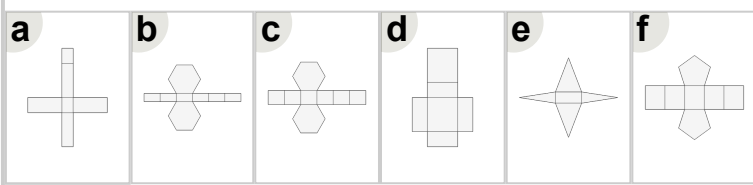

Tetrahedron

6

What net would make this 3D shape?

Pentagonal Prism

7

What net would make this 3D shape?

Hexagonal Prism
