

Math worksheet on 'Speed - Variable Manipulation - With Hint (Level 1)'. Part of a broader unit on 'Speed, Distance, and Time - Practice'

Learn online: app.mobius.academy/math/units/speed_distance_time_practice/

<p>1 Given that speed is distance over time, what is time?</p> $s = \frac{d}{t}$ $t = ?$	<p>a $\frac{s}{d}$</p>	<p>b $d \cdot s$</p>	<p>c $\frac{d}{s}$</p>

<p>2 Given that speed is distance over time, what is distance?</p> $s = \frac{d}{t}$ $d = ?$	<p>a $\frac{t}{s}$</p>	<p>b $\frac{s}{t}$</p>	<p>c $t \cdot s$</p>
	<p>d $2s \cdot t$</p>		

<p>3 Given that distance is speed multiplied by time, what is speed?</p> $d = s \cdot t$ $s = ?$	<p>a $d \cdot t$</p>	<p>b $\frac{d}{t}$</p>	<p>c $\frac{t}{d}$</p>
