1 What is the surface area of this Triangular Prism?

a	b	c
65	95	55
d	e	f
25	50	90

2 What is the surface area of this Triangular Prism?

a	b	c
21	30	33
d	e	f
15	9	48

3 What is the surface area of this Triangular Prism?

a	b	c
64	16	60
d	e	f
56	44	28

4 What is the surface area of this Triangular Prism?

a	b	c
7	49	70
d	e	f
119	77	14

5 What is the surface area of this Triangular Prism?

a	b	c
18	42	90
d	e	f
72	12	60

6 What is the surface area of this Triangular Prism?

a	b	c
112	7	119
d	e	f
70	77	63

7 What is the surface area of this Triangular Prism?

a	b	c
74.5	58	107.5
d	e	f
36	30.5	41.5
