1 What is the surface area of this Triangular Prism?

a	b	c
8	30.5	3
d	e	f
28	23	50.5

2 What is the surface area of this Triangular Prism?

a	b	c
57	93	129
d	e	f
147	12	111

3 What is the surface area of this Triangular Prism?

a	b	c
24	22	38
d	e	f
8	32	40

4 What is the surface area of this Triangular Prism?

a	b	c
53.5	4	75.5
d	e	f
9.5	59	42.5

5 What is the surface area of this Triangular Prism?

a	b	c
119	85	161.5
d	e	f
25.5	127.5	76.5

6 What is the surface area of this Triangular Prism?

a	b	c
107	79	2
d	e	f
121	58	72

7 What is the surface area of this Triangular Prism?

a	b	c
107.5	8.5	91
d	e	f
74.5	41.5	58
