

Math worksheet on 'Trigonometry - Labeling of Sides, Reversed (Level 1)'. Part of a broader unit on 'Trigonometry Foundations'

Learn online: app.mobius.academy/math/units/trigonometry_foundations/

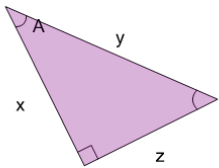

1

Which side would be the Adjacent with respect to angle 'A'

a	y	b	x
c	z		

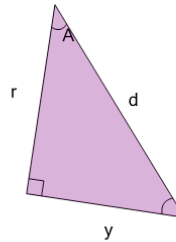

2

Which side would be the Hypotenuse with respect to angle 'A'

a	x	b	z
c	y		

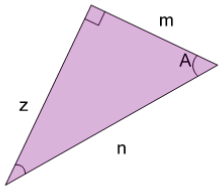

3

Which side would be the Opposite with respect to angle 'A'

a	y	b	r
c	d		

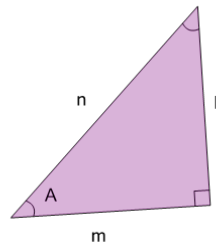

4

Which side would be the Opposite with respect to angle 'A'

a	m	b	z
c	n		

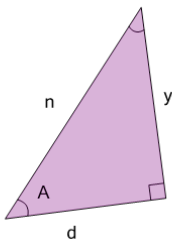

5

Which side would be the Hypotenuse with respect to angle 'A'

a	p	b	n
c	m		

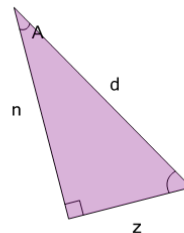

6

Which side would be the Adjacent with respect to angle 'A'

a	n	b	d
c	y		

7

Which side would be the Hypotenuse with respect to angle 'A'

a	d	b	z
c	n
