1 What is the volume of this Hexagonal Prism?

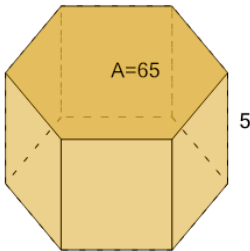

a	b	c
84	126	210
d	e	f
231	168	294

2 What is the volume of this Hexagonal Prism?

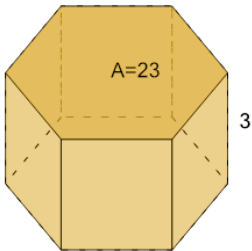

a	b	c
130	26	221
d	e	f
143	156	78

3 What is the volume of this Hexagonal Prism?

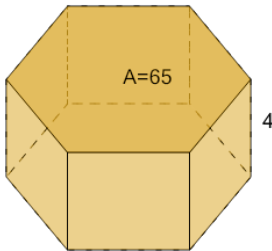

a	b	c
517	389	229
d	e	f
325	69	293

4 What is the volume of this Hexagonal Prism?

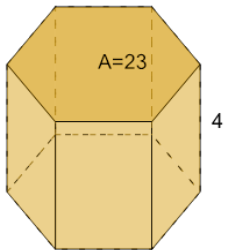

a	b	c
45	111	81
d	e	f
69	87	15

5 What is the volume of this Hexagonal Prism?

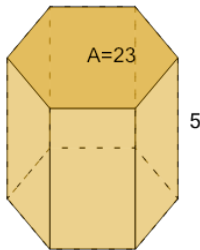

a	b	c
234	494	260
d	e	f
442	208	52

6 What is the volume of this Hexagonal Prism?

a	b	c
155	29	164
d	e	f
92	128	119

7 What is the volume of this Hexagonal Prism?

a	b	c
115	49	214
d	e	f
126	192	16
