1 What is the volume of this Hexagonal Prism?

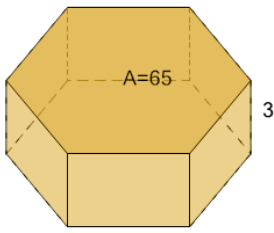

a	b	c
203	181	104
d	e	f
170	115	159

2 What is the volume of this Hexagonal Prism?

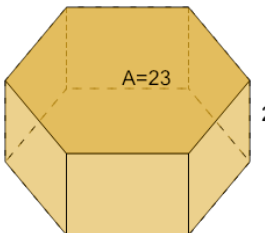

a	b	c
69	81	111
d	e	f
15	87	45

3 What is the volume of this Hexagonal Prism?

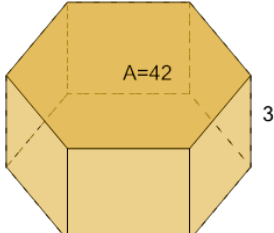

a	b	c
195	43	233
d	e	f
81	252	100

4 What is the volume of this Hexagonal Prism?

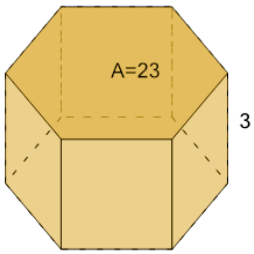

a	b	c
46	82	26
d	e	f
18	38	74

5 What is the volume of this Hexagonal Prism?

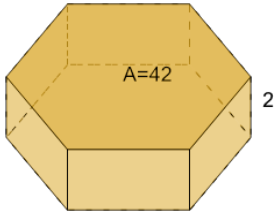

a	b	c
54	42	198
d	e	f
126	138	78

6 What is the volume of this Hexagonal Prism?

a	b	c
75	51	69
d	e	f
27	81	99

7 What is the volume of this Hexagonal Prism?

a	b	c
68	148	84
d	e	f
12	76	60
