

Math worksheet on 'Volume of a Triangular Prism (Non-Right) - Calculate (Level 1)'. Part of a broader unit on 'Geometry - Volume Logic with 3D Shapes - Intro'

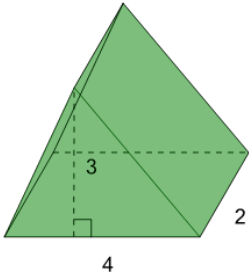

Learn online: app.mobius.academy/math/units/geometry_volume_logic_intro/

1 What is the volume of this Triangular Prism?

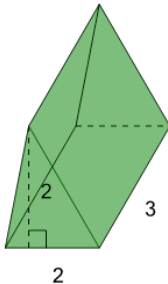

a	b	c
57	33	30
d	e	f
24	45	15

2 What is the volume of this Triangular Prism?

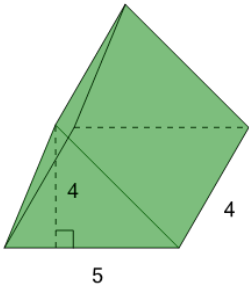

a	b	c
4	5	20
d	e	f
17	12	16

3 What is the volume of this Triangular Prism?

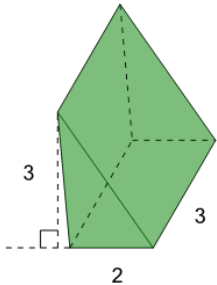

a	b	c
6	3.5	2
d	e	f
3	10.5	1.5

4 What is the volume of this Triangular Prism?

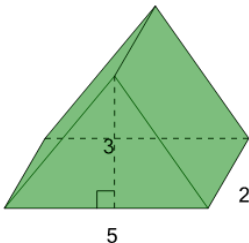

a	b	c
32	16	72
d	e	f
40	36	28

5 What is the volume of this Triangular Prism?

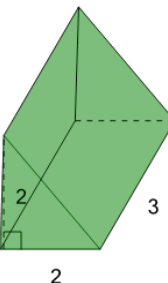

a	b	c
10	12	12.5
d	e	f
13	5.5	9

6 What is the volume of this Triangular Prism?

a	b	c
9	6	1.5
d	e	f
13.5	27	15

7 What is the volume of this Triangular Prism?

a	b	c
10	5.5	2.5
d	e	f
2	9.5	6
