

Math worksheet on 'Volume of a Triangular Prism (Non-Right) - Calculate (Level 1)'. Part of a broader unit on 'Geometry - Volume of 3D Shapes - Intro'

Learn online:

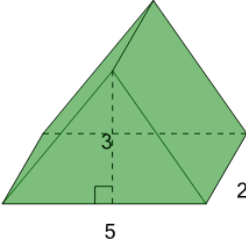

app.mobius.academy/math/units/geometry_volume_basic_shapes_intro/

1 What is the volume of this Triangular Prism?

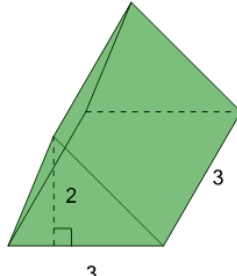

a	b	c
68.5	26.5	19.5
d	e	f
16	37.5	23

2 What is the volume of this Triangular Prism?

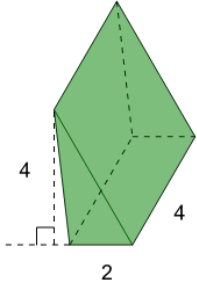

a	b	c
27	15	6
d	e	f
13.5	9	1.5

3 What is the volume of this Triangular Prism?

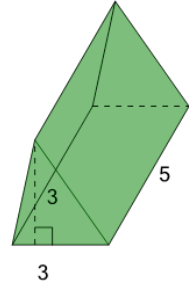

a	b	c
9.5	12	11
d	e	f
7.5	4.5	9

4 What is the volume of this Triangular Prism?

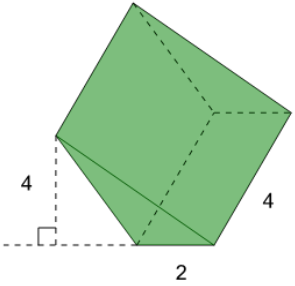

a	b	c
8.5	11.5	23.5
d	e	f
17.5	16	25

5 What is the volume of this Triangular Prism?

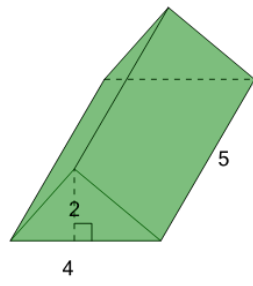

a	b	c
8	36	14
d	e	f
16	32	22.5

6 What is the volume of this Triangular Prism?

a	b	c
11.5	16	8.5
d	e	f
5.5	23.5	4

7 What is the volume of this Triangular Prism?

a	b	c
28	4	30
d	e	f
22	38	20
